A "M.A.D." PRODUCTION SALE.....

Miami Polled Shorthorns, R. D. Mackenzie, Mountain View, Alberta

Rod Mackenzie's family came to Mountain View in 1898 and got their first purebred Shorthorns in 1906. While they didn't keep them registered, they did use Shorthorn bulls in their commercial herd from then on, selling three year old grass fat steers right up until recent years. Rod got his first purebred in 1947 and has bred Shorthorns since that time, going Polled in 1958. He started showing in 1971 and has exhibited successfully at Calgary Stampede, Vancouver P.N.E., Toronto Royal Winter Fair, Regina Canadian Western Agribition plus Regional Shows and Fairs. This spring the Shorthorn people and in fact all that have ever known Rod, were shocked to hear that he was in the hospital critically ill. But on July 30th, Rod became Western Canada's first liver transplant recipient, and to quote the now smiling Rod, "I feel real good". Until Rod fully recovers, his cattle affairs are being well handled by his brother Don Mackenzie. If you wish to contact Don, his telephone number is 403-653-2539. Rod is offering you his usual strong consignment, with strong out-cross bloodlines, to fit your breeding program.

Alta Cedar Shorthorns, W.J. Boake and Sons, Acme Alberta 403-546-2440 or 546-2640

Four generations of Boakes have been in the Shorthorn business in Alberta starting about 1918. Bill and his family moved to this farm about seven years ago and have developed a beautiful place designed for the production of good Shorthorns. They started with home bred

cattle and were fortunate to add to their herd cows from W.O. Hanson's Windyway dispersion and from the Malhiots of Montmartre, Sask. They have been breeding the bigger, growthier, stretchier cattle sired by their BANNER ROYAL OAK X who was undefeated at 12 shows in 1971 and was Grand and Supreme Champion at Toronto Royal, Reserve Grand at Agribition and Grand and Supreme at Vancouver P.N.E. His sons and daughters have proven without a doubt, the bulls ability to be called "one of the greatest sires of this decade". With Bill this year being recognized as a "Builder of the Breed" by the Shorthorn World, and their '74 Group of Four being "All-Canadian", you know that the cattle in this sale from the Boakes are of the highest quality and reputation.

Duralta Shorthorns, Dave and Pat Durie, Lavoy, Alberta, 403-658-2291

Dave and Pat Durie are new to the Shorthorn world but what an impact they have made in a short span of years! Commencing with a herd they leased from R.K. Hughes, Lavoy, in 1963 and purchased in 1965, they produced the Senior Champion at Edmonton in 1966. They have had either a Champion or a top selling bull, or both, at Edmonton since then. In 1971 they made their first trip to the Royal Winter Fair, Toronto, and were awarded both Premier Breeder and Premier Exhibitor Banners. The Duries also exhibited the Grand Champion Female at the '73 Canadian Western Agribition. Their desire to continually add to the top quality herd continues, with the purchase this summer of the Redhill herd of H.C. Haydon, Viking. The addition of this herd further strengthens their consignment to sale this year.

MIAMI SHORTHORNS

FOR REFERENCE ONLY:

BLUE ROCK ROAN CHIEF

The first dual bull that I bought in Ontario. Many people laughed at he and I on that trip home but I think he has shown them that they were judging him too fast. In the last two years our show string has been made up of his sons and daughters. I know that he will keep making them eat their words in the years to come because of the great job his females are doing. I am only happy that he came West on that trip and that I owned him. His get of sire was undefeated in '74. Miami Kate 1E a daughter of "Roan Chief" was Reserve All Canadian and All American in '74.

We had Bert Pepper look all over Ontario for a good polled dual bull for us and here he is. He is a very straight line bull, set on great legs, and very trim and tall. We are grateful to Bert for finding a bull like this for us, I am sure that dual bulls like this can make 'believers' in Shorthorns out of many people. His first calves are in this sale.

FOR REFERENCE ONLY:

MEADOWBROOK PRINCE 16TH X — This huge 2,500 lbs. Polled Dual Purpose bull is the sire of "Elevation". An outstanding son and three daughters sell.

SHANNONDOLE COMMANDO 2ND X — We purchased Shannondole from Al Plante of Fairview, Alta., in the fall of 1972 as a 3½ year old. He was bred by Roy Stirling of Fairview. Shannondole is by Pine Grove Roan Commando the bull that Mr. Stirling purchased from the Dave Ball Dispersal in 1965. Roan Commando is by Shadybrook Commando 55th X384701 from the B.A. Hansen herd from the U.S.A. Shadybrook Commando 55th is also the sire of our big cow Commando's Goldie 17th who we showed very successfully in summer of 1973. Shannondole weighed 2130 at 4 years and has grown some since. He is one of the easiest fleshing bulls we have ever had. We feel confident that we have never had as even a group of yearling females as we have this year. Four of his daughters sell.

Terms and Conditions of Sale

TERMS: The terms are cash, or cheque at par, unless other arrangements are made with the Seller before the sale. All payments must be made to the Clerk of the Sale and no release will be given until satisfactory settlement has been made.

BIDS: The highest bidder shall be the buyer. In case of dispute, the animal shall again be put up for advance bids and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer accepted the last bid. Every animal is pledged to absolute sale and by-bidding is prohibited. Every animal must be transferred to the new owner.

RISK: All animals are at the purchaser's risk as soon as sold, but will be cared for during a reasonable length of time after the sale.

ERRORS: If errors are noted in the catalogue, announcements of corrections will be made from the auction stand, and such announcement will take precedence over the matter in the catalogue.

CERTIFICATES: Each animal is recorded, or will be recorded in the Herd Book of the Breed Association. (Transferred registry certificates will be forwarded to the purchaser of each animal.)

SHIPPING: Assistance will be given in making shipment after the sale, but no risk is assumed by the Sale Management or Seller. Expenses incident thereto are for account of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

Immediate Delivery unless arrangements have been made with the sales management.

WARRANTIES:

1. Each seller warrants clear title to the animal and right to sell same.
2. Unless otherwise noted in the catalogue or announced from the Auction Stand each animal is sold as sound.

3. Each animal is sold as a breeder subject to the following conditions:

(a) **MALES:** Bulls are sold as being able to serve and settle healthy females after reaching 14 months of age where the buyer has provided reasonable care and feeding. Should the bull prove to be a non-breeder, the buyer shall notify the seller in writing within four months after the bull reaches 14 months of age. The seller will then have the privilege of six months to prove the bull to be a breeder. In no case shall the seller be responsible for more than the selling price in making settlement to the buyer. Older bulls are warranted as breeders unless otherwise announced from the auction stand.

(b) **FEMALES:** Any female pregnant when sold or with calf at foot, or that has freshened normally within sixty days prior to the date of sale is by that fact considered a breeder. Should any female over 12 months of age, not pregnant when sold, fail to become pregnant within six months of the sale date, or by the time she has reached twenty-one months after having been bred regularly to a bull known to be a breeder and after having been treated by a licensed veterinarian, the matter shall be reported in writing to the seller who shall then have the privilege of six months' time in which to prove the animal a breeder before refunding the purchase price. Females bred when sold are presumed to be pregnant but pregnancy is not guaranteed. Results of any pregnancy examinations will be announced, but no guarantee is given that a pregnant female will deliver live calves, or that they will carry calves full time, nor does he guarantee that the calf carried will not be mummified.

4. The seller is not responsible for damages caused by foreign bodies after the animal is sold, nor for sickness not apparent at sale time.
5. Above warranties cease when the animal is disposed of by the original purchaser.
6. Transportation charges on all animals subject to adjustment shall be paid by the shipper.

ACCIDENTS: Although every precaution will be exercised to protect the safety and comfort of guests, neither the Auctioneers, Owners nor Sale Management will be responsible for condition of the grounds or behavior of animals and disclaim any liability, legal or otherwise in the event of personal accident or property loss. The above Terms and Conditions shall be a contract between the buyer and seller of each Lot.
